II.

SHARE CAPITAL AND SHARES

§ 4

Share capital and shares

- (1) The Company's share capital amounts to EUR 1,128,000,000 (in words: one billion one hundred and twenty-eight million Euros).
- (2) The share capital is divided into 1,128,000,000 individual shares (shares with no-par value). The shares are registered shares. The Company's shareholders shall provide the Company with the information required by law for registration in the share register.
- (3) The shareholders shall not have the right to request the issue of physical shares, provided this is permitted by law, and except if the issue of physical shares is necessary under the laws applicable at a stock exchange at which the shares are admitted to trading. The Company may issue share certificates that embody individual shares (individual shares) or several shares (global certificates), as well as dividend and renewal coupons. The shareholders shall not have a right to request issue of dividend or renewal coupons.
- (4) The form and contents of share certificates and dividend or renewal coupons, if applicable, shall be defined by the Managing Board. The same shall apply to bonds and interest coupons.
- (5) The Managing Board is authorized to increase the capital stock, with the approval of the Supervisory Board, during the period up until February 14, 2027, by a nominal value of up to EUR 564,000,000 by issuing up to 564,000,000 registered no-par value shares against contributions in cash and/or in kind (Authorized Capital 2022). The authorization may be used once or several times, in one total sum or in installments. The Managing Board is authorized to determine, with the approval of the Supervisory Board, the further details of the rights attached to the shares and of the terms of issue of the shares.

The Managing Board is authorized to exclude the subscription rights with the Supervisory Board's approval in the event of capital increases against contributions in kind, in particular within the framework of mergers or in order to (also indirectly) acquire companies,

establishments, parts of companies, interests or other assets or claims for the acquisition of assets, including amounts receivable from the Company or its affiliates.

In the event of capital increases against contributions in cash, the new shares must generally be offered to the shareholders for subscription; they may also be subscribed by credit institutions or enterprises within the meaning of Section 186 (5) sentence 1 of the German Stock Corporation Act (AktG) with the obligation to offer them to the shareholders for subscription. However, the Managing Board is authorized to exclude shareholders' subscription rights, with the approval of the Supervisory Board, in the event of capital increases against contributions in cash

To the extent members of the Company's Managing Board are to be granted shares, the Company's Supervisory Board decides thereon;
- in as far as this is necessary for fractional amounts resulting from the subscription ratio;
- in order to grant holders/creditors of conversion or option rights in respect of shares of the Company or corresponding conversion or option obligations subscription rights as compensation for effects of dilution in the amount in which they would be entitled to such rights upon exercising these rights or fulfilling these obligations;
- if the issue price of the new shares is not significantly lower than the stock exchange price of the Company's shares already listed. The notional pro rata amount of the capital stock attributable to shares issued against cash considerations pursuant to Section 186 (3) sentence 4 of the German Stock Corporation Act (AktG) with the exclusion of subscription rights must not exceed in total 10% of the capital stock existing at the time this authorization becomes effective or, if this amount is lower, at the time at which this authorization is used. When calculating the afore-mentioned limit, shares have to be taken into account that are issued or disposed of in direct or analogous application of that legal provision during the term of this authorization until the point in time of its use, and also shares that are to be issued or granted on the basis of a convertible bond or warrant bond issued during the term of this authorization with the exclusion of subscription rights in accordance with Section 186 (3) sentence 4 of the German Stock Corporation Act (AktG).

- (6) The share capital is conditionally increased by up to EUR 112,800,000 (Conditional Capital 2022). The conditional capital increase will be implemented by issuing up to 112,800,000 registered no-par value shares with dividend entitlement from the beginning of the fiscal year during which they are issued, only in as far as the holders and/or creditors of convertible bonds or of warrants from warrant bonds that are issued by Siemens Healthineers AG or one of its affiliated companies until February 14, 2027 on the basis of the authorization of the Managing Board by the Annual Shareholders' Meeting of February 15, 2022 exercise their conversion/option rights, fulfill their conversion/option obligations or if shares are delivered under the put option, and only to the extent that no other forms of servicing are used. The Managing Board is authorized to decide on the further details of the implementation of the conditional capital increase.

- (2) The Supervisory Board members shall be appointed for the period until the end of such Shareholders' Meeting that passes the resolution on the approval of the Supervisory Board's actions for the fourth fiscal year after the commencement of the term of office, subject to any deviating determination of the term of office made when the member is elected. The fiscal year during which the term commences shall not be included in the calculation. An election to replace a member that leaves the Supervisory Board prior to the expiry of his or her term of office shall - subject to any deviating determination of the term of office made when the member is elected - continue for the remainder of the term of office of the member who has left the Supervisory Board. The same shall apply should a replacement election become necessary because the original election was contested.
- (3) The Shareholders' Meeting may appoint replacement members simultaneously with the Supervisory Board members to be elected by the Shareholders' Meeting, who shall replace, in a sequence to be determined upon the election, any Supervisory Board members of the shareholders who leave office prematurely or due to a contestation of the election. If a replacement member replaces a member who has left the Supervisory Board, his or her office shall expire at the end of the Shareholders' Meeting during which a replacement election pursuant to § 7 (2) takes place, at the latest, however, upon expiry of the term of office of the Supervisory Board member who has left. Should the replacement member who has left office after a replacement election have been appointed for several Supervisory Board members, his or her status as a replacement member shall be renewed.
- (4) Each Supervisory Board member and replacement member may retire from his or her office, also without cause, by giving four weeks' written notice to the Chairman of the Supervisory Board - or, if the Chairman wishes to retire, to his or her Deputy. The Chairman or, if the Chairman wishes to retire, the Deputy, shall be free to reduce the period of notice or waive compliance with the period of notice.

§ 8

Chairman and Deputy

- (1) From among its members, the Supervisory Board shall elect a Chairman and a Deputy. The election should take place after the Shareholders' Meeting during which the Supervisory Board members to be elected by the Shareholders' Meeting were newly elected; a separate invitation to this meeting is not required.
- (2) The term of office of the Chairman and the Deputy shall, except if a reduced period of office is determined at the time of the election, correspond to their term of office as members of the Supervisory Board.
- (3) Should the Chairman or the Deputy leave office prematurely, a new election for such position shall take place immediately. A revocation of the election of the Chairman or the Deputy is only permitted for cause. The permanent inability of the Chairman or the Deputy to discharge the duties of office shall be deemed to constitute an important cause.
- (4) A Deputy performing the duties of the Chairman when the latter is unable to act shall be vested with all the powers of the Chairman, except for the casting vote accorded to the Chairman pursuant to these Articles of Association or the Supervisory Board's rules of procedure.
- (5) Declarations by the Supervisory Board shall be made on behalf of the Supervisory Board by the Chairman or, if he or she is unable to act, by the Deputy. The Chairman or, if he or she is unable to act, the Deputy shall have the right to accept declarations on behalf of the Supervisory Board.

- (4) The Supervisory Board may pass resolutions on changes to the Articles of Association that only relate to their wording.
- (5) The Managing Board shall continuously report to the Supervisory Board to the extent provided for by law. In addition to this, the Supervisory Board shall at all times be free to

request a report on the Company's affairs, its legal and business relationships with affiliates and business-related transactions by affiliated companies that may have significant impact on the Company's situation.

§ 10

Rules of procedure, delegation, committees

- (1) The Supervisory Board shall pass its own rules of procedure, subject to the statutory requirements and the provisions of these Articles of Association.
- (2) Subject to the statutory provisions, the Supervisory Board shall have the right to establish committees. To the extent permitted by law or the Articles of Association, the Supervisory Board may transfer duties incumbent upon it as well as decision powers and rights to its Chairman, to individual members or to committees established from among its members. If the Chairman of the Supervisory Board is a member of a committee, and if a vote in such committee is tied, the Chairman's vote shall be decisive if a second vote also is tied (casting vote); if the Chairman is not a member of such committee, the chairman of the relevant committee shall have a casting vote in such cases.

§ 11

Supervisory Board meetings and resolutions

- (1) Supervisory Board meetings shall be called by the Chairman upon no less than fourteen days' notice, whereby the day of dispatch of the invitation and the day of the meeting shall not count. This notice period may be reduced in urgent cases. Meetings may be called in writing, orally, by telephone, telefax, e-mail or other common means of communication. Furthermore, the statutory provisions and the rules of procedure for the Supervisory Board shall apply with regard to the calling of Supervisory Board meetings.
- (2) The Chairman shall chair the Supervisory Board meetings.
- (3) The Supervisory Board shall have a quorum if at least one half of the members of which it has to consist in total take part in a resolution. A resolution on an issue on the agenda that was not included in the invitation may only be passed if none of the Supervisory Board members objects to the resolution.

- (4) Meetings conducted and resolutions passed in writing, orally, by telephone, by telefax, by e-mail or via other common means of communication or as a combination of such forms of communication as well as the participation of individual Supervisory Board members in meetings and resolutions by connection via telephone or electronic means of communication (in particular video transmission) shall be permitted if the Chairman of the Supervisory Board so decides for an individual case, subject to an adequate period of notice. The option of casting a vote in writing pursuant to § 11 (3) shall remain unaffected.
- (5) Resolutions shall be passed with a single majority of the votes cast, except if a deviating majority is mandatorily provided for by law. For this purpose, abstentions shall not count as votes cast. In the event of a tie, the vote of the Supervisory Board's Chairman shall be decisive if a second vote once more results in a tie (casting vote).
- (6) Minutes shall be prepared of the Supervisory Board meetings and resolutions (for purposes of evidence, not as a prerequisite for their effectiveness), and shall be signed by the minute-keeper, the chairman of the meeting or, if a resolution is taken outside a meeting, by the Supervisory Board Chairman.

§ 12 Compensation

 - (d) if the Supervisory Board establishes a Committee for Related Party Transactions, to the Chairman of that Committee: EUR 20,000.00; to each other member: EUR 10,000.00. The compensation shall only become payable for fiscal years when the Committee for Related Party Transactions has convened for at least one meeting or passed at least one resolution, including meetings and resolutions in the form stated in § 11 (3) and (4) of the Articles of Association.
- (2) Supervisory Board members who did not serve as a member or chairman of the Supervisory Board or of a committee for the full (12-month) fiscal year shall be paid a compensation *pro rata temporis*, rounding up to full months. If a Supervisory Board member fails to attend a

Supervisory Board meeting, one third of the total compensation that the relevant member can claim pursuant to sub-clause (1) shall be reduced by a percentage equal to the percentage of the meetings which the relevant Supervisory Board member did not attend in relation to the total number of Supervisory Board meetings held during the relevant fiscal year.

- (3) The compensation shall be due for payment after the Shareholders' Meeting that accepts, or decides on the approval of, the annual financial statements for the prior fiscal year.
- (4) In addition to the above, the Supervisory Board shall be paid an attendance fee amounting to EUR 1,500.00 for each Supervisory Board meeting and committee meeting which they attend.
